

Settlement Data Administrator Update:

3M Combat Earplugs Settlement Program Implementation

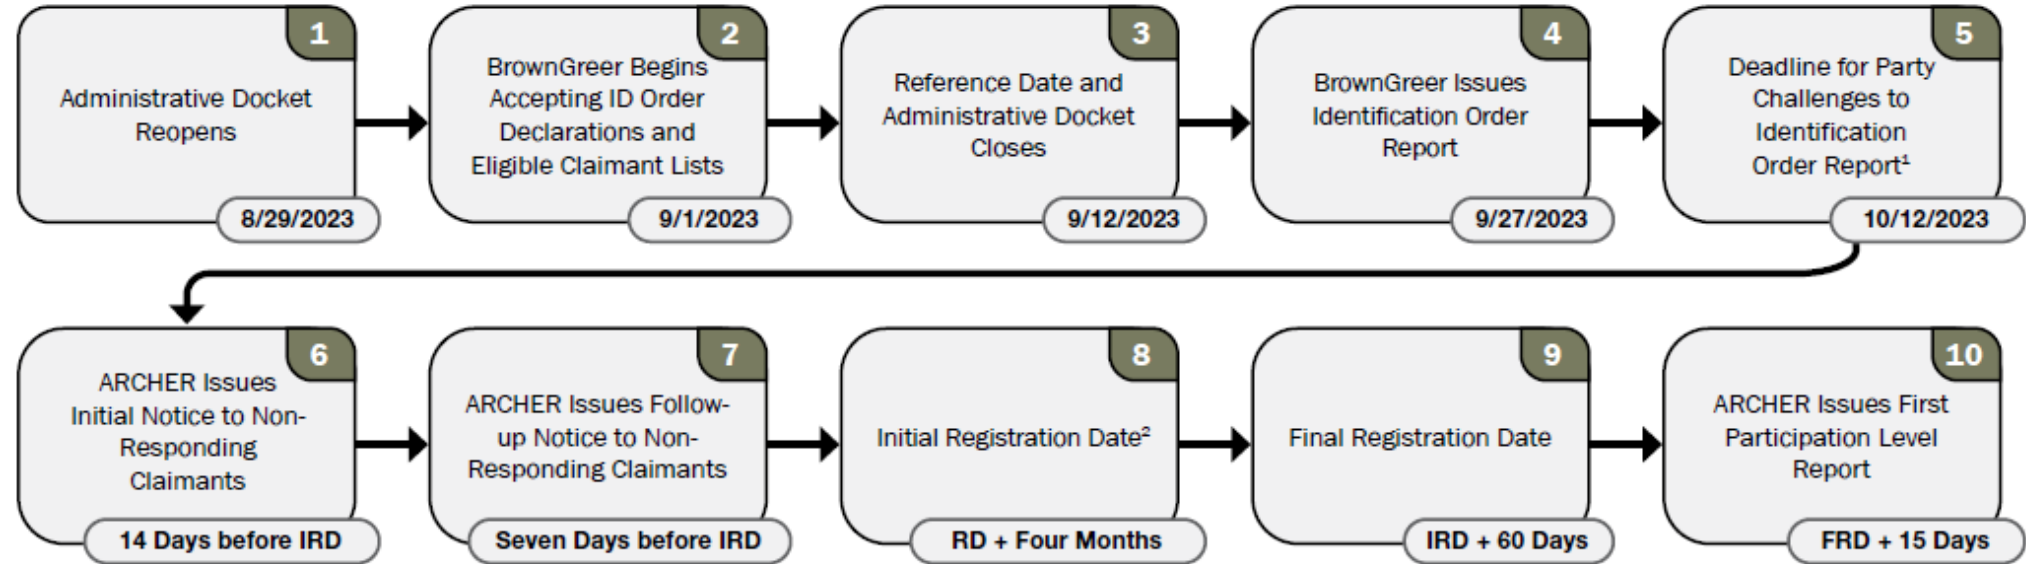

September 8, 2023

Settlement Data Administrator Duties

1. Implement Identification Order Declarations submission process
2. Deduplicate data and identify Eligible Claimants
3. Submit Identification Order Report
4. Send ARCHER Systems the Identification Order Report and underlying data
5. Intake additional audiometric data from Eligible Claimants
6. Provide New Case Reports
7. Process and report on CMO 57 compliance for Non-Participating Claimants

Implementation Timeline

Legend:

IRD: Initial Registration Date

RD: Reference Date

FRD: Final Registration Date

¹ If any Party challenges the Identification Order Report, a Party that opposes the challenge may submit a written response within 10 days. The Special Master will then have 10 days from any response to make a determination. Any filed challenge will extend the Initial Registration Date by the number of days required to lodge and resolve the challenge.

² The Initial Registration Date and all corresponding deadlines may be extended by an agreement of the NPC and Defendants or by order of the Court.
