

**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF FLORIDA
PENSACOLA DIVISION**

IN RE: 3M COMBAT ARMS
EARPLUG PRODUCTS
LIABILITY LITIGATION

Case No. 3:19md2885

This Document Relates to the
Claimants Identified on Exhibit A

Judge M. Casey Rodgers
Magistrate Judge Hope T. Cannon

ORDER

The claimants identified on Exhibit A have two or more cases filed on the active and/or administrative dockets for this litigation, and/or are registered in MDL Centrality under two or more Plaintiff IDs (“PID”). This duplication injects unnecessary administrative obstacles and burdens into already complex settlement administration and case management processes, and must be rectified immediately. Accordingly, Primary Counsel for the claimants identified on Exhibit A are directed to: (1) formally move to dismiss any duplicate case for their respective client(s); and (2) close all but one of the related PIDs in MDL-Centrality for their client(s). The deadline for compliance with these directives is **October 11, 2023**.

The Settlement Data Administrator has been delegated authority to resolve duplication issues and will contact Primary Counsel directly to that end. Primary Counsel must timely communicate with the Settlement Data Administrator to resolve the issues. The Settlement Data Administrator will report to the Court any

duplicates remaining after October 11, 2023. For any such remaining duplicates, the Court will dismiss with prejudice all but the first-filed case for each claimant (regardless of whether the first-filed case is on the active or the administrative docket) and direct that all but the first-created MDL-Centrality PID for each claimant be closed.¹ Resolving outstanding duplications does not shield an Eligible Claimant from dismissal with prejudice on other grounds, such as incomplete Social Security Numbers and/or Dates of Birth, deficient census forms, missing DD214s, and other such failures to comply with court orders.

DONE AND ORDERED, on this 4th day of October, 2023.

M. Casey Rodgers

M. CASEY RODGERS
UNITED STATES DISTRICT JUDGE

¹ The Court is still processing Short Form Complaints added to the Administrative Docket pursuant to Case Management Order Nos. 59 (docketing procedures), and 62-65 (filing requirements and deadlines for the Administrative Docket). To the extent it is determined that a new duplicate case was filed on the Administrative Docket for a claimant identified on Exhibit A, the new case will be dismissed with prejudice.
